

Treasure of Classic  
and Modern Puzzles

## Tangrams

### Square by Square

The bigger square in the illustration is divided into four pieces. Using all the five pieces shown above - including the smaller square - complete one big square. You are allowed to flip the pieces over, and rotate them as you will wish. Pieces can't overlap each other though.

### Square by Square (pieces)

To produce the pieces first print them out. Then follow the diagram shown in the left column above - from step 1 to step F (finish).
